Still the one

We've been together since way back when
Sometimes, I never wanna see you again
But I want you to know
After all these years
You're still the one
I want whisperin' in my ear, yeah

(Still the one)
I wanna talk to in bed
(Still the one)
That turns my head
We're still havin' fun
And you're still the one

I looked
At your face everyday
But I never saw it 'til it went away, yeah
You know, when winter came, I just wanted to go
Deep in the desert
I longed for the snow

(Still the one)
That makes me laugh
(Still the one)
That's my better half
(We're still havin' fun)
And you're still the one

(Still the one)
That makes me strong
(Still the one)
I wanna take along
(We're still havin' fun)
And you're still the one

Changin'
Our love, it comes and goes
Even though we grow old, it grows too

(Still the one)
That I love to touch
(Still the one)
And I can't get enough
We're still havin' fun
And you're still the one

You're still the one
Who can scratch my itch
(Still the one)
That I wouldn't switch
We're still havin' fun
And you're still the one

You are
Still the one
That makes me shout
Still the one
That I dream about
We're still havin' fun
And you're still the one

You're still the one
You're still the one
We're still havin' fun
And you're still the one
