I'm woven in a fantasy
I can't believe the things I see
The path that I have chosen now
Has led me to a wall
And with each passing day
I feel a little more like something dear was lost

It rises now before me
A dark and silent barrier between
All I am, and all that I would ever want be
It's just a travesty
Towering, marking off the boundaries
My spirit would erase

To pass beyond is what I seek
I fear that I may be too weak
And those are few who've seen it through
To glimpse the other side
The promised land is waiting
Like a maiden that is soon to be a bride
The moment is a masterpiece
The weight of indecision's in the air
Standing there, the symbol and the sum of all that's me
It's just a travesty
Towering, blocking out the light and blinding me
I want to see

Gold and diamonds cast a spell
It's not for me I know it well
The riches that I seek
Are waiting on the other side
There's more than I can measure
In the treasures of the love that I can find

And though it's always been with me
I must tear down the wall and let it be
All I am and all that I was ever meant to be
In harmony
Shining true and smiling back at all who wait to cross
There is no loss
