Bittersweet, you're gonna be the death of me
I don't want you, but I need you,
I love you and I hate you at the very same time

See what I want so much, should never hurt this bad
Never did this before, that's what the virgin said
We've been generally warned, that's what the surgeon
says
God talk to me now this is an emergency

And she claim she only with me for the currency,
You cut me deep bitch cut me like surgery

And I was to proud to admit that it was hurtin me
I'd never do that to you at least purposely

We breakin up again we makin up again
But we don't love no more
I guess we fuckin then

Have you ever felt like you wanted to kill her
And you mixed them emotions with tequilla

And you mixed that with a little bad advice
On one of them bad nights
You have a bad fight

And you talkin bout her family her aunts and shit
And she sayin muhfucka yo mama's a bitch
You know domestic drama and shit

All the attitude
Ill never hit a girl but I'll shake the shit out of you

But im a be the bigger man
Big pimpin like jigga man
Oh i figure it's

Bittersweet, you're gonna be the death of me
I don't want you, but I need you,
I love you and I hate you at the very same time

See what I want so much, should never hurt this bad
Never did this before, that's what the virgin said
We've been generally warned, that's what the surgeon
says
God talk to me now this is an emergency

And my nigga says I shouldn't let her worry me
I need to focus on the girls we gettin currently
But I've been thinking and it got me back to sinking it
This relationship, it even got me back to drinking now

This Hennessy, is gon be the death of me

And I always thought that you havin my child was our
destiny
But I can't even vibe wit you sexually
Cause every time that I try you will question me
Say "you fuckin them girls, disrespecting me?
You don't see how your lies are affecting me?
You don't see how our life was supposed to be?
And I never let a nigga get that close to me!
And you ain't cracked up to what you was supposed to
be!
You always gone! You always be where them hoes
would be!"
And it's the first time she ever spilled her soul to me!
I fucked up and I know it G
I guess it's bittersweet poetry
