Yo Hip-Hop Is niggaz still talkin bout I can't rap Come
On Now

Look for me Young K
Took Tupac beat and got paid
My favorite rapper is Makaveli, Nas and Jay-Z
Eminem, Mase, Biggie Smalls and me
Now if you was my girlfriend you don't need no
guyfriend
He could get his head bust nigga ain't my friend
Why the hell you lying who the hell you trying
Who the hell you know that threw away his throwbacks
When they suggested they was made by Majestic
My answers cost three-hundred-fifty ya naw mean
Doesn't even have got her number we ain't on the same
team
You got the hat the jacket shoelaces to match
I got the gat ratching new cases to catch
I got my business manager erasing my debt
I mean my credit was so pathetic I couldn't get a debit
I fill out for a car but shit they always debt it
My girl come over try to help me shine
How you gonna help me get a car your credit worser
than mine
But everytime I get a check you be first up in line
Told you bout gold-diggin bitch it's worser than lying
You better grow up before I blow up
Have weed rolled up when I show up
Matter fact we broke as fuck
Ain't nothing left to do except get tore up from the floor
up
Shit that's how I knew you was my girlfriend
So I promise to never pick up smutts
In my Cadillac pick-up truck
They need to get they sit-ups up
They always be colder than you
A little richer a little thicker a litter older than you
Probably a little smarter so they can drop me some
jewels
That I could drop back to you to get your ass back in

college

So you can be where they at two years from now
But for now bartender two beers for now
The second one is for my girlfriend

[Jay-Z] All I need in this life of sin is me and my
girlfriend me and my girlfriend

[B.K.] Down to ride til the very end is me and my
boyfriend me and my boyfriend

I'm talkin bout when we was in Nissan's no Benz or such
We wasn't from Switzerland but we'll still go Dutch
Greater man could prob picture like there go us
No styles just good times like they're so nuts
We always thought if we had dough we could do so
much

Like you ain't got to save the roach we can finish the
Dutch

Like we ain't have to go coach told you i'll be paid soon
We ain't got to sit in this emergency aisle just to get leg
room

We ain't got to go back to my room there's only one
bedroom

That I call my lair

We was V.I.P. Very Imaginary Playaz

But you was my girlfriend yea yea yea you was my
girlfriend

[Jay-Z] Holla, All I need in this life of sin is me and my
girlfriend me and my girlfriend

[B.K.] Down to ride til the very end is me and my
boyfriend me and my boyfriend

That's Right (Kanye)

[Jay-Z] All I need in this life of sin is me and my
girlfriend me and my girlfriend

Look for me

[B.K.] Down to ride til the very end is me and my
boyfriend me and my boyfriend

[Jay-Z] Yep!
