(feat. Papoose & Tre Williams)

[Intro: Kanye West]

I want everybody to put they hands together for me  
I want to talk about somebody real special tonight  
(whoooooaaa)  
Ok, come on

[Chorus: Kanye West]

Hey Mama, ahhhhhhhhhh, I wanna scream so loud for  
you  
Cause I'm so proud of you, let me tell you what I'm  
about to do (hey Mama)  
I know I act a fool, but I promise you I'm going back to  
school  
I appreciate what you allowed for me, and I, I just want  
you to be proud of me (hey Mama)

[Verse 1: Kanye West]

I wanna tell the whole world about a friend of mine  
This little light of mine, I'm feelin' let it shine  
I'm feelin' take y'all back to them better times  
I'm feelin' talk about my mama if y'all don't mind (hey  
Mama)  
I was three years old when you and I move to the Chi  
Late December, harsh winter gave me a cold  
You fix me up something that was good for my soul  
Famous home chicken soup, can I have another bowl  
(hey Mama)  
You work late nights just to keep on the lights  
Mommy got me training wheels so I can keep on my  
bike  
And you would give me anything in this world  
Michael Jackson leather and the glove, but didn't give  
me a curl (hey Mama)  
And you never put no man over me, and I LOVE you for  
that Mommy can't you see?  
Seven years old, caught you with tears in your eyes  
'Cause a nigga cheatin', tellin' you lies, then I started to  
cry (hey Mama)  
As we knelt on the kitchen floor

I said, "Mommy, I'ma love you 'til you don't HURT no more!"  
And when I'm older, you ain't gotta WORK no more  
And I'ma get you that mansion that we couldn't afford  
(hey Mama)  
See your unbreakable, unmistakable, highly capable,  
lady that's making loot  
A living legend too, just look at what Heaven do, sent  
us an angel, and I thank you

[Chorus: Tre Williams, (Kanye West)]  
(Hey Mama), Oh your son done turned into a man living  
life  
From the lesson straight from the palm of yo' hand  
(hey Mama)  
And I know well that my words - they just ain't strong  
enough  
If I had to pay for yo' love, my money ain't long  
enough!

[Verse 2: Papoose]  
It's only 60 seconds in a minute, 24 hours in a day  
The sun rises, the sun sets & goes away  
"How this day went so fast?" is what I thought  
Only 12 months in a year - life is short  
Before my time is up, you know what I'ma do?  
Take this time out to say, "I love you"  
'Cause right after you finished raisin' all ya kids  
You turned right around & raised foster kids  
We was the first ones in the 'hood with bunk beds  
Popped me in my mouth for somethin' I shouldn't said  
& when I caught that case, ya face turned red  
You picked me up from the precinct - I was a  
knucklehead  
You told me when I frowned up my face & pout  
"I brought you in this world, boy, I'll take you out"  
Daddy's stressin' you out? You tired of the drama?  
Divorce that fool - I'll marry you, Mama

[Chorus x2: Tre Williams, (Kanye West)]  
(Hey Mama), Oh your son done turned into a man living  
life  
From the lesson straight from the palm of yo' hand  
(hey Mama)  
And I know well that my words - they just ain't strong  
enough  
If I had to pay for yo' love, my money ain't long  
enough!
