(feat. Ash King)

[Verse 1: Ash King]

Will you ever be the one I love
Can you see me by you're side
Baby you're the one I dream of
Girl come join me on this ride
Girl you ever see the things I see
Baby girl come fly with me
I just can't wait to get you on your own
I got so much love I wanna show
You know you got it
And you know I want it
I can't wait it, take it
Baby, baby, baby...

[Hook:]

Take me girl
Do what you want to me
I just wanna love you
I just wanna love you
Take me home
Do what you want to me
I just wanna love you
I just wanna love you (love you love you love you love you)

[Verse 2: Ash King]

Now girl I wanna know
Can you see me in your life
To the place where I wanna go
Is with you in paradise
Take my hand and I'll take yours
Girl this love we can explore
Look into my eyes and understand
I just wanna chance to be your man
You know you got it
And you know I want it
I can't wait it, take it
Baby, baby... please

[Hook:]

Take me girl
Do what you want to me
I just wanna love you
I just wanna love you
Take me home
Do what you want to me
I just wanna love you
I just wanna love you (love you love you love you love
you)

[Verse 3: Ash King]

You are my life
I'm begging on my knees be my wife
I know you that you can make my dreams come true
Cause I need you and I love you
And I'm going out of my mind
I'm thinking of the ways to make you mine
I will give you everything that you'll ever need
Baby Please...

[Hook: x2]

Take me girl
Do what you want to me
I just wanna love you
I just wanna love you
Take me home
Do what you want to me
I just wanna love you
I just wanna love you (love you love you love you love
you)
