(feat. Ma\$e)

Ready!, Huh.

Yeah! um

Jesus, Jesus talk to me

Jesus, Jesus talk with me

Jesus, Jesus,

Jesus, Jesus,

Come on!

(Jesus Walks)

God show me the way now the devil can't break me
down

(Jesus walk with me)

[Kanye]

Between the girls and the jewelry

The devil trying to lure me

And view of me

(Jesus walks with me)

My pastor shaking his head

He ain't sure of me

But surely

(Jesus walks with me)

Then he ask

Do you say your prayers at least 2 a week?

I ain't talking to God I know what I've been doing G.

Do you know how I be embarrassed?

My prayers sound like Ben Stiller on Meet the Parents

And I ain't good with that ?give us our day?,

This ladies just trying to give us our free

I'm trying to give us, us pay,

Now you know how them strippers was,

We was all ghetto-fabulous all at the rooms at the
Cyberus,

From this Ja'causezi wild can you cleanse us?

Can you please unfog my Cardierre lenses?

God sends signs sometimes only in glimpses for me I
almost died

Falling asleep in them Benzes

Theirs something about this beat that get me
tranquilized

And when I play it at my shows I feel sanctified
And HE gives me direction when I can't decide
He is alive!, how can you tell me he ain't when I said

(Jesus Walks)

God show me the way now the devil can't break me
down

(Jesus Walks)

The only thing I pray is that my feet don't fail me now

(Jesus Walks)

And Now I think there's something I can say now

That will right my wrongs

(Jesus Walks)

I finally talked to God and I ain't afraid cause his love is
so strong

[Ma\$e]

Before you take me name, take my fame,
While you at it take my shame, take my flaws, take my
blame

Feel my dirt, conceal my hurt, See my bruise,

And this you walk in my shoes

You weren't there when I was in deep thought.

When I had two choice, kill him or either leave New York

But I'm a truth teller and that's why I say what I'm sayin

And the only thing the radio playin is cause you be
payin

It ain't about who really hot no more

Beats would knock no more

So who cares who flock no more

I realize that most labels pay you for lies

And all that blood do is gain disguise

That you're favorite artist shhhh

I know you hear that huh you wanna fear that what

Your worst dream is that you was gonna hear that

Con the rap this like John the Baptist

Prepare the way for what I came to say today

They deceived us, had us thinking Jesus really didn't
need us

When he loved up all you

He loved them boys in hallway up in Broadway

Even those who meet him for dope every 4 days

To the strippers in broad day up in Norway

To the Detroit player Gators in Moreys

With me it's not just bars and music I walk with God

I have the scares to prove it,ugh

(Jesus Walks)

God show me the way now the devil can't break me
down

(Jesus Walks)

The only thing that I pray is that my feet don't fail me
now
(Jesus Walks)
Everybody out there just lift your hands
Right now and say this with me:

?Father I thank you, for forgiving me, for everything I
ever done,
For Jesus walking with me, for dying for me, raising for
me,
And all my sins have been forgiven, I'm a changed
man,
I'm healed I'm delivered, I'm rich and It's all because of
him?
Now Walk with me, Walk with me, Walk Walk Walk with
me
Walk with me
