[Hook]

Not enough time in one lifetime
To love you like you deserve
Not enough time in one lifetime
To love you like you deserve

[Verse 1]

Not a minute more
Not a second more
Not a though
Watchu waitin for?
Never nah, no, say
Takin off time
Takin off day
Whatchu fightin for?
When yo booty flow
Who that known it though
Whatchu waitin for?
If you runnin from love
You love her like that
You runnin' from nuns
She running right back
Because it's

And I'm on a road
And I'm backin? No
To love you no more
To look back and forth
Till you got it from the

Till I'm on the road
Till you know
I know we would know
Till a I'm backin' on up
I'm makin mine
Till I cannot stop in the night

Throw your hands up
Uh, (?) throw your hands up
And keep em up now

And we ain't goin' down baby
