Twista:

Got you lookin at the gliss at my hands and wrists
While i'm layin back and smokin on my canibus
When it come to rockin the rhythm like Marvin and
Luther
I can tell you aint no messin with Ki-man and twist
From the Chi and I be
Sippin Hennessy
Twistin almarie
Tryina smoke a B

Lookin properly
Feelin I'm a G
And all this (Well Well Well Well Well)
Come with me and sip on some hella good champagne
You aint know Twista can work it like the Whispers
Hit the stop light, get into some Isaac
The rims still moving so I'm pumpin little Spinners
While I'm
Smokin on a B
Dippin through the streets
Bumpin R&B
And I got to leave
rollin on 23'ss
And I do it (well well well well well)
When my Earth and the Wind smoke a Fire
Let me when get your sheets wet listening to Keith
Sweat
Put you in a daze for maze
Fullfilling our every sensation slow breathin having
deep sex
You Ready For The World girl
Come on over make me touch you all over your body
baby don't say no to me
And every moment you controllin' me I'm lovin the way
you be holding me when I be listening to Jodeci
And when I come over and bend your ass
You be bumpin Teddy Pendergrass
I'ma hit it from the back to the melody to roll it slow
Now I gotta go up in it fast, but imma finish last
No matter how much of a thug you see
I still spit it like it's R&B, so to the club with me
And with some Luther come on and hope you finna and
stilla be in love with me
