Yo G they can't stop me from rapping can they?  
Can they, huh?

[Chorus:]

Through the fire, to the limit, to the wall  
For a chance to be with you, I'd gladly risk it all  
Through the fire, through whatever come what may  
For a chance at loving you, I'd take it all away  
Right down through the wire, even through the fire

I spit it through the wire man  
To much stuff on my heart right now man  
I'll gladly risk it all right now  
It's a life or death situation man  
Y'all don't really understand how I feel right now man  
It's your boy Kanye to the....  
Chi-Town what's going on man

[Verse 1:]

I drink a boost for breakfast, and ensure for dizzert  
Somebody ordered pancakes I just sip the sizzurp  
That right there could drive a sane man bizzerk  
Not to worry y'll Mr. H 2 the Izzo's back to wizzerk  
How do you console my mom or give her light support  
When you telling her your sons' on life support  
And just imagine how my girl feel  
On the plane scared as hell that her guy look like Emitt  
Till  
She was with me before the deal she been trying to be  
mine  
She a delta so she been throwing them Dynasty signs  
No use me tryin' to be lyin'  
I been trying to signed  
Trying to be a millionaire  
How I use two lifelines  
In the same hospital where Biggie Smalls died  
The doctor said I had blood clots  
But I ain't Jamaican man  
Story on MTV and I ain't trying to make the band  
I swear this right here is history in the making man

[Chorus]

I really apologize how I sound right now man  
If it's unclear at all, man  
They got my mouth wired shut for like I don't know the  
doctor said for like six weeks  
You know we had reconstru....  
I had reconstructive surgery on my jaw  
Looked in the mirror half my jaw was in the back of my  
mouth man  
I couldn't believe it  
But im still here for yall right now yo  
This is what I gotta say yo  
Yeah, turn me up yeah

[Verse 2:]

What if somebody from the Chi was I'll got a deal on  
the hottest rap label around  
But he wasn't talking bout coke and birds it was more  
like spoken word  
Except he really putting it down  
And he explained the story about how blacks came  
from glory  
And what we need to do in the game  
Good dude, Bad night, Right place, Wrong time  
In the blink of an eye his whole life changed  
If you could feel how my face felt you would know how  
Mase felt  
Thank God I ain't to cool for the safe belt  
I swear to God drive two on the sue  
I got lawyer for the case to keep what's in my safe; safe  
My dawgs couldn't tell if I  
I look Tom Cruise on Vanilla Sky, it was televised  
All they heard was that I was in an accident like GEICO  
They thought I was burnt up like Pepsi did Michael  
I must gotta angel  
Cause look how death missed his ass  
Unbreakable, would you thought they called me Mr.  
Glass  
Look back on my life like the ghost of Christmas past  
Toys R Us where I used to spend that Christmas cash  
And I still wont grow up, I'm a grown ass kid  
Swear I should be locked up for stupid shit that I did  
But I'm a champion, so I turned tragedy to triumph  
Make music that's fire, spit my soul through the wire

[Chorus]

Know what im saying  
When the doctor told me I had a um.. I was goin to have  
a plate on my chin

I said dawg don't you realize I'll never make it on the  
plane now  
Its bad enough I got all this jewelry on  
Can't be serious man

[Chorus repeats till fade]
