[Chorus]

I got eleven plaques on my wall right now
You got your first gold single damn nigga, WoW

[Verse 1]

H to the lzzo did 3 thou spins in a week
You get a thou in a month, WoW
Y'all niggas want credit but y'all need to slow down
Kanye to the killin y'all from Chi-town, how your wife
gon say
She never sold drugs a day in her life, but she still
wanna pump the Ye
And y'all mad 'cause y'all not knowin, 'cause these
canaries so yellow
When y'all pull up whether to stop or keep goin
I got G's, rock Rock n Roll tees wit no sleeves
Tats showin, tucked in strap showin
How he get seven TV's in that '??lac '??lac
3 in the front, 2 in the back, 2 in that back, back
While you in that hatchback
And tryin to sell work and don't get shit from them
packs back
And try to rap, the studios wont give you ya daps back
And try to get publishin', all you get in your ass capped
And that's that

[Chorus]

[Verse 2]

Magazines call me a rock star, bitches call me cock star
Billboard pop star, neighborhood block star

Remember that, uh-huh, that's that trek shit
Remember back in '92 niggas used to catch reck shit
Remember that track I tracked for you bout 3 months

See me like damn a "C L, K?'"??

[Chorus]

H to the lzzo did 3 thou spins in a week
You get a thou in a month, WoW
Y'all niggas want credit but y'all need to slow down
Kanye to the killin y'all from Chi-town
