Why are you so paranoid?
Don't be so paranoid
Don't be so...

Baby, don't worry about it
Hey there, don't even think about it

You worry bout the wrong things, the wrong things
You worry bout the wrong things, the wrong things
You worry bout the wrong things, the wrong things
You worry bout the wrong things, the wrong things

All of the time, you really wanna spend your whole life
alone
A little time out might do ya good, might do us good
before you're done for good
Because i could make it good, i could make it hood, i
could make you come, i could make you gooo
I could make you hot, i could make you fly, make you
touch the sky, hey, maybe sooo
All of the time, he be up in my, checking through my
cell phone, baby no
You wanna kill the vibe, on another night, here's
another fight, oh, here we go (oh, here we go)

Baby, don't worry 'bout it
Lady, we'll go out to the floor

Anyway, they don't know you like i do (they don't know)
They'll never know you (never know)
Anyway, they don't know you like i do (never know)
They'll never know you

All of the time, you wanna complain about the nights
alone
So now, you here with me, social gratitude, leave the
attitude way back at home
Yeah, you see 'em look, baby, let 'em look, give you
cold looks cuz we look cold
Yeah, you heard about all the word of mouth, don't
worry about what we can't control

All the talk in the world, loss in the world 'till you finally
let that thing gooo
You wanna check-in to the heartbreak hotel but sorry
we're closed

Baby, don't worry 'bout it
Baby, we'll go out to the floor

Anyway, (hey!) they don't know you like i do (to the
floor)
They'll never know you (never know)
Anyway, they don't know you like i do (they don't know)
They'll never know you

Baby, don't worry 'bout it
Lady, don't even think about it

You worry bout the wrong things, the wrong thing
You worry bout the wrong thing, the wrong thing
You worry bout the wrong thing, the wrong thing
You worry bout the wrong thing...

Anyway, they don't know you like i do
They'll never know you
Anyway, they don't know you like i do
They'll never know you

Anyway, they don't know you like i do
They'll never know you
Anyway, they don't know you like i do
They'll never know you
