[ pre chorus ]

bitter sweet

your going to be the death of me

i dont want you

but i need you

i love and hate you at the very same time

[ chorus ]

see what i want so much

should never hurt this bad

never did this before

that's what the virgin says

we been generally warned

that's what the surgen says

god talk to me now

this is an emergency

and she claim she only with me for the currency

you cut me deep bitch

cut me like surgery

and i was too proud to admit

that it was hurting me

id never do that to you

at least purposely

we breaking up again

we making up again

but we dont love no more

i guess wee fucking then

have you ever wanted to kill her

and you mixed them emotions with tequila

and you mixed that with a little bad advice

on one of them bad nights

yall have a bad fight

and you talking bout her family

her aunts and shit

and she say motherfucker your mommas a bitch

you know

domestic drama and shit

all the attitude

i'd never hit a girl but i'd shake the shit out of you

but imma be the bigger man

big pimpin like jigga man  
oh i guess i figga it's

bitter sweet  
your going to be the death of me

andmy niggas said i shouldntlet it worry me  
and this relationship it even got me back to drinkin  
and this hennessey is going to be the death of me  
and you and cracked up to what you were supposed to  
be  
you always gone you always be where those hoes will  
be  
cause everytime i tried you would question me
