(feat. John Legend)

[John Legend]

Let's play the blame game, I love you, more  
Let's play the blame game for sure.  
Let's call her names, names, I hate you, more.  
Let's call her names, names, for sure.  
I'll call you bitch for sure  
As a last resort, and my first resort  
You call me motherfucker for long,  
At the end of it you know we both were wrong.

But I love to play the blame game, I love you more.  
Let's play the blame game for sure.  
Let's call her names, names, I hate you, more.  
Let's call her names, names, for sure.

[Kanye West]

On a bathroom wall I wrote  
"I'd rather argue with you than to be with someone  
else" (else, else, else)  
I took a piss and dismiss it and went and found  
somebody else  
Arguing harvesting the feelings, I'd rather be by my  
fucking self  
Till about 2am and I call back and I hang up and start to  
blame myself  
Somebody help

[Chorus - John Legend]

[Kanye West]

You weren't perfect but you made life worth it  
Stick around, real feelings might surface  
Been a long time since I spoke to you in a bathroom  
gripping you up and choking you  
What the hell was I supposed to do  
I know you aint getting this type of d-ck from that local  
dude  
And if you are I hope you are have a good time  
Cause I definitely be having mine

And you aint finna see a mogul get emotional  
Every time I hear bout other nigga's stroking you  
Might say I hit you  
He sitting there consoling you  
Threw the money, threw the mud  
Who's provoking you  
You should be grateful a (?) like me even knows you  
Now you noticeable and cant nobody can control you  
I am and can't nobody get a hold of you  
I'm calling your brothers phone like what was I  
supposed to do  
Even though I knew, he never told the truth  
He was just gon say whatever you gon told him too  
At a certain point I had to stop asking questions  
Chuck dirt on eachother like mud wrestlers  
I heard he bought some coke with my money  
Dat aint right girl  
You getting blackmailed for that white girl  
You always said Yeezy I aint you're right girl  
Probably find one of them "I like art" type girls  
All of the lights, she was caught in the hype girl  
And I was satisfied being in love with the lights  
And who to blame, you to blame, me to blame  
For the pain and it poured everytime it rained  
Lets play the blame game...

[John Legend]

Let's play the blame game, I love you, more  
Let's play the blame game for sure.

[Kanye West]

Things used to be, now they not  
Anything but us is who we are  
Disguising ourselves as secret lovers  
We've become public enemies  
We walk away like strangers in the street  
Gon for eternity  
We erased one another  
So far from where we came  
With so much of everything, how do we leave with  
nothing  
Lack of visual empathy equates the meaning of L-O-V-E  
Hatred and attitude tear us entirely

Let's play the blame game, I love you, more  
Let's play the blame game for sure.  
Let's call her names, names, I hate you, more.  
Let's call her names, names, for sure.

I can't love you this much

I can't love you this much  
I can't love you this much  
I can't love you this much  
No, I can't love you this much  
I can't love you this much

And I know that you are somewhere doing your thing  
And when the phone called it just ring and ring  
You aint pick up but your phone accidently called me  
back  
And I heard the whole thing.  
I heard the whole thing, the whole thing, the whole  
thing...

[Chris Rock]

Ohh my God..  
Baby you done took this.. to another level!  
Now a neighbourhood nigga like me aint supposed to  
be gettin no pussy like this  
Damn, Damn!, who thought you how to get sexy  
(Yeezy thought me)  
You never use to talk dirty, but now you damn  
disgusting,  
My, my God, where'd you learn that?  
(Yeezy thought me)  
Look at you.. naked.. with them.. Jimmy Choos off.  
Who thought you how to put some ... Jimmy Choos on?  
(Yeezy thought me)  
Yo you took your game up a whole 'nother level, this is  
some Cirque 'u Soleil now!  
You done went all porno on it, k. And I, and I love it..  
And I thank you, I thank you, my dick thanks you!  
How did you learn, how.. how did your game come up?  
(Yeezy thought me)

I was in there like oo I never been here before. I've  
never even seen this part of town before.  
It's like you got this ... re-upholstered or something.  
What the fuck happened?  
Who, who the fuck got your pussy all re-upholstered?  
(Yeezy re-upholstered my pussy)  
You know what, I got to thank Yeezy.  
And when I see that nigga Imma thank him.  
Imma buy his album, Imma download that.. Imma shoot  
a bootlegger!  
That's how good I feel about this...  
Oww, I still can't believe you got me this watch. The  
exact... I wanted!  
Even with the bezel! this is the... I wanted. I saw this, I  
saw it,  
Twista had this on in The Source. I remember, Twista

had this on in The Source.

That's right, that's right! Yo yo babe, yo yo this is the  
best birthday ever!

Where you learn to treat a nigga like this?

(Yeezy thought me)
