[Hook]

Bound to fall in love  
Bound to fall in love  
(Uh-huh, honey)

[Bridge: Kanye West]

All them other niggas lame, and you know it now  
When a real nigga hold you down, you supposed to  
drown  
Bound...

[Hook]

Bound to fall in love  
Bound to fall in love  
(Uh-huh, honey)

[Verse 1: Kanye West]

What you doing in the club on a Thursday?  
She say she only here for her girl birthday  
They ordered champagne but still look thirsty  
Rock Forever 21 but just turned thirty  
I know I got a bad reputation  
Walking 'round, always mad reputation  
Leave a pretty girl sad reputation  
Start a Fight Club, Brad reputation  
I turnt the nightclub out of the basement  
I'll turn the plane 'round, your ass keep complaining  
How you gon' be mad on vacation?  
Dutty wining 'round all these Jamaicans  
Uh, this that prom shit  
This that what we do, don't tell your mom shit  
This that red cup, all on the lawn shit  
Got a fresh cut, straight out the salon, bitch

[Bridge: Charlie Wilson]

I know you're tired of loving, of loving  
With nobody to love, nobody, nobody (Uh-huh, honey)

[Bridge: Kanye West]

Close your eyes and let the word paint a thousand  
pictures

One good girl is worth a thousand bitches

[Hook]

Bound to fall in love

Bound to fall in love

(Uh-huh, honey)

[Verse 2: Kanye West]

I wanna fuck you hard on the sink

After that, give you something to drink

Step back, can't get spunk on the mink

I mean damn, what would Jeromey Romey Romey Rome think?

Hey, you remember where we first met?

Okay, I don't remember where we first met

But hey, admitting is the first step

And hey, you know ain't nobody perfect

And I know, with the hoes I got the worst rep

But hey, their backstroke I'm tryna perfect

And hey, ayo, we made it, Thanksgiving

So hey, maybe we can make it to Christmas

She asked me what I wished for on my wishlist

Have you ever asked your bitch for other bitches?

Maybe we could still make it to the church steps

But first, you gon' remember how to forget

After all these long-ass verses

I'm tired, you tired, Jesus wept

[Bridge: Charlie Wilson]

I know you're tired of loving, of loving

With nobody to love, nobody, nobody

Just grab somebody, no leaving this party

With nobody to love, nobody, nobody (Uh-huh, honey)

[Bridge: Kanye West]

Jerome's in the house, watch your mouth

Jerome's in the house, watch your mouth

[Hook]

Bound to fall in love

Bound to fall in love

(Uh-huh, honey)
