Brandy (Chorus)

I always knew that one day  
They try to bring me down,  
way down, way down (way down)  
oooooooooooooooo

One day, they tryna bring me down  
oooooooo

Always knew that one day  
They try to bring me down, way down  
They tryna bring me down

Kanye

Why we goin to mass today  
We have to pray  
besides what the pastor say  
I have to say, since 'pac passed away  
Most u rappers don't even deserve a track from me  
(You see)  
If u ever wanted to ever be anything  
It'll always be somebody that'll shoot down any dream  
It'll always be haters, that's the way it is  
Hater Niggaz marry hater bitches and have hater kidz  
But thay gon have to take my life, for thay take my  
drive  
Cause when i was barely livin that's what kept me alive  
Just the thought that maybe it could be better than  
where we at at this time  
Make it outta this grime fore im outta my mind  
and get some leway on that he-say she-say  
Your girl don't like me, how long has she been gay  
Spanish girls say ya no habla inglis  
and everybody wanna run to me for they singla  
it's funny how these wack niggaz need my help  
wasn't around when i couldnt feed myself  
dawg if i was u i wouldn't feel myself  
dawg if i was u i'd kill myself  
Made a mill myself (oooooooo)  
And im still myself (oooooooo)  
And ima look in da mirror if i need some help  
(yeaaaah)  
Y'all don't speak from da heart  
Y'all all frontin (oooooooo)

Everybody feel a way about K  
but at least y'all feel sumthin

Brandy  
What y'all called in  
I met all em  
but give it with sum get will get ya  
What kind of dream we found  
See im often  
what y'all cross with  
so give it with the hand i met ya  
And try to bring me down

I always knew that one day  
They try to bring me down,  
way down, way down (way down)  
Always knew that one day  
They try to bring me down, way down  
Always knew that one day  
They try to bring me down, way down  
They tryna bring me down
