Me and Cass got flows til the beat run out
I told you muthafuckers before we in the house and we
standin on the couch
Wit my drink n my 2 step my drink n my 2 step
Three glasses in a row you start to think I was Q-tip
Bartender pour a round I took a few sips
Stumblin fallin down I aint drunk thats my new step
Now why would i listen to bullshit they shovel
When they taste level aint at my waist level
Im fly get on a plane jet lagged already
Im tired the Goyard bags is heavy
Im fire the flow hard as a chevy
I told her me likie she said she like me ha
But when she see me wit a C.
L. like Pete Rock she just wanna grab a microphone and
beatbox
Even in highschool i was always a special kid
First pack of condoms i asked for extra big
Now i got a flow they sit me right next to big
And all these old rappers don't know where the exit is
bu bu bu but no butts nigga what nigga, B.A.R.S,

Now lets drink to that until drunk niggas

(chorus)

I could never turn the lights off until i take my ice off
Yellow and white chain Yellow and White cross

(Chorus)

(Ne-yo)
So many shots that i can't see straight
All these women around me cats still sayin he can't be

Give me ya girl and some platinum patron
When she come home you can ask her is me straight
She might smile alot but she won't speak much
Yawnin cause last night she aint sleep much
She won't even talk about what we did
Just smile close her eyes and say yes he is
