We go through too much bullshit just to mess with
these drunk and hot girls

We go through too much bullshit just to mess with
these drunk and hot girls

Looks like that mami can't buy everything up
(We go- through too- much bullshit- to mess- mess
with- these drunk-
all of these drunk and hot girls)

Driving around town looking for the best spot for the
(Drunk and hot girls)
Up in the club look at here what we got some
(Drunk and hot girls)
Stop dancing with your girlfriend and come dance with
me
Stop talking about your boyfriend since he is not me
Stop running up my tab cause these drinks is not free
You drunk and hot girl

We go through too much bullshit just to mess with
these drunk and hot girls
We go through too much bullshit just to mess with
these drunk and hot girls

(We go- through too- much bullshit- to mess- mess
with- these all-
all of these drunk and hot girls)

I don't wanna drop your friends off, I just want you
(You drunk and hot girl)
You wanna sit down but we hit the drive thru
(You drunk and hot girl)
Please don't fall asleep baby we almost back
Please don't go up in the car we almost crash
Oh now you so good, howd I know you'd say that
You drunk an hot girl

We gon through too much bullshit just to mess with

these drunk and hot girls
We go through too much bullshit just to mess with
these drunk and hot girls

(We go- through too- much bullshit- to mess- mess
with- these drunk-
all of these drunk and hot girls)

Lot of dangerous necessity that people seek without
regard
To where they are, the human heart
is curious
above all things,
laa the lights are low
your eyes are bright
the music, makes it sweet delight
Its out inside, I'm feeling right
your dress is tight
Ohhh waaaaa oow, I want you right now

Don't tell me you sing, you bout to get a deal
(You drunk and hot girls)
Aaa aaa aa aa aa, that's how the f**k you sound
(You drunk and hot girl)
You only live once do
whatever you like
I thought I'd be with you for only one night
Now I'm with this girl for the rest of my life
That drunk and hot girl

We go through too much bullshit just to mess with
these drunk and hot girls
(A lil sippy sippy)
We gon through too much bullshit just to mess with
these drunk and hot girls
(Want a little whisky)

(We go- through too- much bullshit- to mess- mess
with- these drunk-
all of these drunk and hot girls)
