(We go through too much bullshit to mess, mess with  
these drunk)  
(All of these drunk and hot girls)

Driving around town looking for the best spot for the  
Drunk and hot girls  
Up in the club, look at here what we got some  
Drunk and hot girls

Stop dancing with your girlfriend and come dance with  
me  
Stop talking about your boyfriend since he is not me  
Stop running up my tap 'cause these drinks is not free  
You drunk and hot girl

We gon' through too much bullshit  
Just to mess with these drunk and hot girls  
She gon' through too much bullshit  
Just to mess with these drunk and hot girls

Looks like that mami can't buy everything up  
Looks like that mami can't buy everything up  
Looks like that mami can't buy everything up  
(We go through too much bullshit to mess, mess with  
these drunk)  
(All of these drunk and hot girls)

I don't wanna drop your friends off, I just want you  
You drunk and hot girl  
You wanna sit down but we hit the drive thru'  
You drunk and hot girl

Please don't fall asleep, baby, we almost there  
Please don't go up in the car, we almost crash  
Oh now you so good, how I know you say that  
You drunk and hot girl

We gon' through too much bullshit  
Just to mess with these drunk and hot girls  
She gon' through too much bullshit  
Just to mess with these drunk and hot girls

Looks like that mami can't buy everything up  
Looks like that mami can't buy everything up  
Looks like that mami can't buy everything up  
(We go through too much bullshit to mess, mess with  
these drunk)  
(All of these drunk and hot girls)

Lots change about necessities that people seek without  
regard  
To where they are, the human heart is curious above all  
this  
Lots things to know, you eyes about the music make  
me see the light  
It's outside, I'm feeling like a dressing type  
Ohh, waaa, oow, I want you right now

Don't tell me you sing, you about to get a deal  
You drunk and hot girls  
Aaa, aaa, aa, aa, aa, that's how the fuck you sound  
You drunk and hot girl

You only live once through whatever you like  
I thought I'd bewitched you for only one night  
Now I'm with this girl for the rest of my life  
That drunk and hot girl

We gon' through too much bullshit  
Just to mess with these drunk and hot girls  
A little sippy sippy  
We gon' through too much bullshit  
Just to mess with these drunk and hot girls  
Want a little whisky

Looks like that mami can't buy everything up  
Looks like that mami can't buy everything up  
Looks like that mami can't buy everything up  
(We go through too much bullshit to mess, mess with  
these drunk)  
(All of these drunk and hot girls)

Ra, ra, ra, ra, ra, ra, brrraaa
