I'm not sure anymore, more  
Who is knocking at my door, door  
All the faces that I know  
You make them sunny and new

I don't wanna say goodbye to you  
So I'll just say good night to you  
My people, no goodbyes to you  
I'm just gonna say good night

Right now I can see it so vivid  
Like it was just yesterday like I could relieve it  
Me and my grandparents on a field tried-ip  
And I'm the little kid tryna touch the exhibits

But it'll fade before I get to get a hold of that  
Man I wish I could stop time like a photograph  
Every joke that they told I'd know to laugh  
Man, man I wouldn't let a moment pass

What do it mean when you dream that you fallin'  
What do it mean when you dream that you ballin'  
What do it mean when you never dream at all then  
And you don't really know cause you can't recall them

It's sorta fly you get a chance to say hi to  
People you never got a chance to say bye to  
Maybe you could pull em up outta your dreams  
Into real life, if you try to

So close, but so far and so far, no cigar  
We can't dwell on the day PAST all we got is today  
So I'mma live like there's no tomorrow  
No goodbye

I don't wanna say goodbye to you  
So I'll just say good night to you  
My people, no goodbyes to you  
I'm just gonna say good night

Uh, to you  
If I part my heart will live through you

Dream beautiful and unusual  
Wake up like everyday new to you  
Stay true to you, a hood musical

My art will live through you  
Dream beautiful and unusual  
Wake up like everyday new to you  
Stay true to you, a hood musical

I don't wanna say goodbye to you  
So I'll just say good night to you  
My people, no goodbyes to you  
I'm just gonna say good night

I'm not sure anymore, more  
Who is knocking at my door, door  
All the faces that I know  
You make them sunny and new
