[Intro: woman (Kanye West)]  
(first of all, this song right here got...)  
You say what is it that you want?  
(...a long ass intro)  
You got everything that a woman could ever need in  
life  
(you got everything)  
You got a closet full of minks, Chinchilla  
(you got beats from Kanye)  
I got a bureau full of diamonds  
(what else ya need?)  
I can change four times a day if I want to  
You even tryin' to eat lobster and drink champagne  
Now you know that ain't your roots  
For you strictly a collard green and cornbread bit  
Now you know if anybody know it I know  
But since you feel like that this evening  
Sit down (know what?) and drink some champagne with  
me

And let me rap to you

[Verse 1: Kanye West]  
You'll never catch me in that baby momma Benz again  
I'm pushin' a G5  
All the girls sayin' that his hair look Indian  
And ain't never seen him and MCM  
Now I don't like fake boobies but I'd do it to Lil'  
Kim (yes I would)  
We gon' roll this weed  
We gon' play like Sonny Bono and hit these trees soon  
as we get alone  
I'm doin' these beats for pro bono soon as we get to  
bone  
Now she like a lotta clothes, I like to see her out of 'em  
She got a lot exposed, pump up the volume  
Pump up the volume, dance, dance  
Don't give Kanye a chance  
Cuz I'm a Gemini with two sides and two rides  
Y'all talkin' business, I'm peepin' her thighs

Look, I'm tryin' to hit that back end 'fore I get that back  
in  
Called Trina and "Do she need that beat tracked  
again?"

[Hook: Kanye West]

Cuz I came back for you  
To show you that I'm workin' with a little somethin'  
And we get the session pumpin'  
See I came back for you  
Cuz any rap chick that look half nice  
I'm givin' 'em half price

[Verse 2: Kanye West]

Back when Eve went with Steve before she had her  
weave  
I was sendin' beat tapes like you wouldn't believe  
Back when Foxy had a group with Nas and AZ  
The way she looked on "Chyna Doll", I woulda did them  
beats for free  
Cuz only recently I been gettin' a decent fee  
The checks I got from D Dot was just teasin' me  
I bought somw earrings like Baby that may be fake  
But at least it got girls callin' me 'Babycakes'  
Now maybe Kay can hit 'em or Nas with Lazy K  
And lady may, maybe hey  
You're lookin' all thick and sweet  
You need a nigga that can give you dick and beats  
So go and get Angie and tell her

[Hook: Kanye West]

I came back for you  
To show you that I'm workin' with a little somethin'  
And we get the session pumpin'  
See I came back for you  
Cuz any rap chick that look half nice  
I'm givin' 'em half price

[Outro: Kanye]

Got a two for head sale  
Send, send headshots first though  
Will you beat tapes for who? Oh Trina?  
Oh I'm be right there, I'm right there  
I'll be the- I'll be in studio in five minutes  
Yo yo, she said she want her ass look gushy wet  
I told her all I need is my back end check  
I told her to-  
I ain't feelin' that verse
