Uh, yeah, uh, yeah, uh, yeah, uh, yeah

And I heard 'em say  
Nothin' ever promised tomorrow today  
From the Chi, like Tim it's the hard-a-way  
So this is in the name of love, like [unverified] say

Before you ask me to get a job today  
Can I atleast get a raise on a minimum wage?  
And I know the government administered AIDS  
So I guess we just pray like the minister say

Allah o Akbar and throw 'em some hot cars  
Things we see on the screen are not ours  
But these niggas from the hood so these dreams not  
far  
Where I'm from, the dope boys is the rock stars  
But they can't cop cars without seein' cop cars  
I guess they want us all behind bars, I know it

Uh, and I heard 'em say  
Nothin' ever promised tomorrow, today  
(Ooo)  
And I heard 'em say  
Nothin' ever promised tomorrow, today  
(Nothing's ever promised tomorrow, today)  
But we'll find a way  
(And nothing lasts forever but be honest babe)  
(It helps but it may be the only way)

They say people in your life are seasons  
And anything that happen is for a reason  
And niggas guns a clappin' and keep to squeezin'  
And gran, keep prayin' and keep believin'  
(Grandma)

And Jesus and one day that ya see him  
Till they walk in his footsteps and try to be him  
The devil is alive I feel him breathin'  
Claimin' money is the key so keep on dreamin'

And put those lottery tickets just to tease us  
My aunt Pam can't put those cigarettes down  
Now my lil' cousin' smokin' those cigarettes now  
His job trying to claim that he too niggerish now  
Is it 'cuz his skin blacker than licorice now?  
I can't figure it out, I'm stickin' around

Uh, and I heard 'em say  
Nothin' ever promised tomorrow, today  
(Ooo)  
And I heard 'em say  
Nothin' ever promised tomorrow, today  
(Nothing's ever promised tomorrow, today)  
But we'll find a way  
(And nothing lasts forever but be honest babe)  
(It helps but it may be the only way)

'Cuz every words we swore we got more far away  
And nothing's ever promised tomorrow, today  
And nothing lasts forever but be honest babe  
It helps but it may be the only way
