I think I just fell in love with a porn star
Turn the camera on, she a born star
Turn the corners in a foreign car
Call the coroners, do the CPR

She gave that old nigga a ulcer
Bittersweet taste made his gold tooth ache, uh
Make a knee shake, make a priest faint, uh
Make a nun come, make her cremate, uh

Move downtown, cop a sweet space, uh
Livin' life like we won a sweepstakes, what?
We headed to hell for heaven's sakes, huh?
Well, I'ma levitate, make the devil wait, yeah

Have you lost your mind?
Tell me when you think we've crossed the line
No more drugs for me
Pussy and religion is all I need

Grab my hand and
Baby, we'll live a hell of a life

Never in your wildest dreams
Never in your wildest dreams, in your wildest
You can hear the loudest screams
Comin' from inside the screen, you a wild bitch

Tell me what I gotta do to be that guy
Said her price go down, she ever fuck a black guy
Or do anal, or do a gang bang
It's kinda crazy, that's opposite of the same thing

Well, I guess a lot of niggas do gang bang
And if we run trains, we all in the same game
Runaway slaves all on a chain gang
Bang, bang, bang, bang, bang

Have you lost your mind?
Tell me when you think we've crossed the line
No more drugs for me
Pussy and religion is all I need

Grab my hand and
Baby, we'll live a hell of a life

One day I'm gon' marry a porn star
We'll have a big-ass crib and a long yard
We'll have a mansion and some fly maids
Nothin' to hide, we both screwed the bridesmaid

She wanna role play 'til I roll over
I'ma need a whole day, at least roll dolja
What party is we goin' to on Oscar day?
Especially if she can't get that dress on Oscar de

La Renta, they wouldn't rent her, they couldn't take the
shame
Snatched the dress off her back and told her get away
How could you say they live they life wrong
When you never fuck wit' the lights on?

Fuck with the lights, fuck with the, with the lights on
Fuck with the lights, fuck with the, with the lights on
Fuck with the lights on with the, with the lights on
Fuck with the lights, fuck with the, with the lights on

Fuck with the lights, fuck with the, with the lights on
Fuck with the lights, fuck with the, with the lights on

Have you lost your mind?
Tell me when you think we've crossed the line
No more drugs for me
Pussy and religion is all I need

Grab my hand and
Baby, we'll live a hell of a life

I think I fell in love with a porn star
And got married in the bathroom
Honeymoon on the dance floor
And got divorced by the end of the night

That's one hell of a life
