[Intro: Justin Vernon]

I can hold my liquor  
This man can't handle me  
But this man can't handle his weed  
On Chicago, south of town  
I'm on in Indiana  
I'm heard on the radio now

[Hook: Chief Keef]

I can't handle no liquor  
But these bitches can't handle me  
I can't control my niggas  
And my niggas they can't control me  
You say you know me, my nigga  
But you really just know the old me

[Verse 1: Kanye West]

Bitch I'm back out my coma, waking up on your sofa  
When I park my Range Rover, slightly scratch your  
Corolla  
Okay, I smashed your Corolla, I'm hanging on a  
hangover  
Five years we been over, ask me why I came over  
One more hit and I can own ya, one more fuck and I can  
own ya  
One cold night in October, pussy had me floating  
Feel like Deepak Chopra, pussy had me dead  
Might call 2Pac over, Yeezy's all on you sofa, these the  
red Octobers  
Still ain't learn me no manners, you love me when I ain't  
sober  
You love me when I'm hungover, even when I blow doja  
Then her auntie came over, skinny bitch with no  
shoulders  
Tellin' you that I'm bogus, bitch you don't even know us  
Baby girl, he's a loner, baby girl, he's a loner  
Late night organ donor, after that he disown ya  
After that he's just hopeless, soul mates become  
soulless  
When he's sober it's over and bitch, I'm back out my  
coma

[Bridge] + [Hook]  
I can't handle no liquor  
But these bitches can't handle me  
I can't control my niggas  
And my niggas they can't control me  
You say you know me, my nigga  
But you really just know the old me

[Outro: Justin Vernon and Kanye West]  
I heard you need a new fad  
I heard you need a new stack  
I heard you need a new phone  
I know your 'rents ain't be home  
Callin' up your uncle's place  
Shit's all over the place  
I don't hear your phone  
Ohhh on the phone
