[Pusha T]

Fraud niggas, ya'll niggas
That's that shit I don't like
Yo shit, make believe
Rappin' 'bout my own life
Real names, kill things
That's that shit I won't write
Cause my niggas still sellin' dope
Like they aint on they third strikes
That's rare nigga, Ric Flair nigga
The powers in my hair nigga
I give the beat the chair nigga
Soho or Tribeca
3 hoes, trifecta
Dope money, coke money
Hublot, my watch better
My pens better, you don't write
Trendsetter you clone like
Pay homage or K's vomit?
Ungrateful niggas I don't like

[Chief Keef - Hook]

A fuck nigga, that's that shit I don't like (bang bang)
A snitch nigga, that's that shit I don't like (bang bang)
A bitch nigga, that's that shit I don't like (bang bang)
Sneak dissers, that's that shit I don't like (bang bang)

[Kanye West]

They smile in my face is what I don't like
They steal your whole sound, that's a soundbite
The media crucify me like they did Christ
They wanna find me not breathin' like they found Mike
A girl'll run her mouth only outta spite
But I'll never hit a woman, never in my life
I was in too deep like Mekhi Phife
In that pussy so deep I coulda drowned twice
Rose gold Jesus piece with the brown ice
Eating good, vegetari' with the brown rice
Girls kissing girls, cause it's hot right
But unless they use a strap-on then they not dykes
They aint about that life, they aint about that life

We hanging out the window, it's 'bout to be a Suge
Knight
Free Bump J, real nigga for life
Shout out to Derrick Rose, man that nigga nice
Shout out to L.E.P, J Boogie right
Chief Keef, King Louie, this is Chi right
Right?

[Chief Keef - Hook]

A fuck nigga, that's that shit I don't like
A snitch nigga, that's that shit I don't like
A bitch nigga, that's that shit I don't like
Sneak dissers, that's that shit I don't like
Don't like, like, don't like, like
A snitch nigga, that's that shit I don't like

[Chief Keef]

Fake Gucci that's the shit I don't like
Smoking on this dope higher than a kite
This bitch gon love me now, she gon let me pipe
Screamin' Sosa, thats the nigga that I like
I don't want relations, I just want one night
Cause a thirsty bitch, that's that shit they don't like
I got tats up on my arm, cause this shit is life
And I splash on a bunch of clothes cause I'm living life
I come up on the scene and I'm still alight
Bitch, I'm high off life, got me feeling right
Bitch, I'm Chief Keef, fuck who don't like
And bitch we GBE we just go on site

[Hook]

[Big Sean]

We are not one and the same
Nigga, I'm fucking insane
Fuck is you sayin'
Yo' ass been doing the same
Shit, now do what you sayin'
Dang, I tell ya old bitch, she was fucking a lame
Turn one hoe to a train
Bloaw, Blang, my niggas holding that pain
I just hope you've been praying
Bang bang, riding for my niggas and that's for life
High class, I'm just surrounded by these low lifes
And I run this bitch like it's no lights
Goin' hard the whole night cause I aint going back to
my old life
I promise

[Hook]

[Jadakiss]

I done sold purp', I done sold white
Running out of work, that's that shit I don't like
She never let me hit, she gave me dome twice
She blowing up my phone, that's that bitch I don't like
Nah, jean jacket with the sleeves cut
Put the pressure on 'em just when they think that I
eased up
Thirty for the Cuban, 'nother 30 for the Jesus
Believed in ourselves when nobody else believed us
Suckas!

[Hook]
