Ready, huh
Yeah, um
Jesus, Jesus talk to me
Jesus, Jesus talk with me
Jesus, Jesus, Jesus, Jesus

Come on
(Jesus walks)
God show me the way now the devil can't break me
down
Jesus walk with me)

Between the girls and the jewelry
The devil trying to lure me and view of me
(Jesus walks with me)
My pastor shaking his head
He ain't sure of me

But surely
(Jesus walks with me)
Then he ask, do you say your prayers at least 2 a
week?
I ain't talking to God I know what I've been doing G
Do you know how I be embarrassed?
My prez sound like Ben Stiller on meet the Parents

And I ain't good with that, give us our day
The slaves was trying to give us our free
I'm trying to give us, us pay
Now you know how them strippers was

We was all ghetto fabulous all at the rooms at the
Cyberus, from this Jacuzzi wild can you cleanse us?
Can you please unfog my Cardierre lenses?
God sends signs sometimes only in glimpses

For me I almost died falling asleep in them Benzes
Theirs something about this beat that get me
tranquilized
And when I play it at my shows I feel sanctified
And He gives me direction when I can't decide
He is alive, how can you tell me, He ain't when I said

(Jesus walks)

God show me the way now the devil can't break me
down

(Jesus walks)

The only thing I pray is that my feet don't fail me now

(Jesus walks)

And now I think there's something

I can say now that will right my wrongs

(Jesus walks)

I finally talked to God and I ain't afraid 'cause His love
is so strong

Before you take me name, take my fame

Why you had to take my shame, take my flaws, take my
blame

Feel my dirt, conceal my hurt, see my bruise

And this you walk in my shoes

You weren't there when I was in deep thought

When I had two choice, kill him or either leave New York

But I'm a truth teller and that's why I say what I'm sayin'

And the only thing the radio playin' is 'cause you be
payin'

It ain't about who really hot no more

Beats would knock no more, so who cares who flop no
more

I realize that most labels pay you for lies

And all that blood do is gain disguise

That you're favorite artist shh

I know you hear that huh you wanna fear that what

Your worst dream is that you was gonna hear that

(Uh)

Con the rap slash John the Baptist

Prepare the way for what I came to say today

They deceived us, had us thinking Jesus really didn't
need us

When he loved up all you

He loved them boys in hallway up in Broadway

Even those who meet him for dope every 4 days

To the strippers in broad day up in Norway

To the Detroit player Gators in Moreys

With me it's not just bars and music I walk with God

I have the scares to prove it,ugh

(Jesus walks)

God show me the way now the devil can't break me
down
(Jesus walks)
The only thing that I pray is that my feet don't fail me
now
(Jesus walks)

Everybody out there just lift your hands right now and
say this with me
Father I thank you, for forgiving me, for everything I
ever done
For Jesus walking with me, for dying for me
Raising for me, and all my sins have been forgiven

I'm a changed man, I'm healed I'm delivered
I'm rich and It's all because of Him, now
Walk with me, walk with me, wha, wha, walk with me,
walk with me
