[Verse 1: Kanye West]

Lollipop, lollipop, breasts is just like Dolly Parton
She ride my spaceship till she hit the top
That hit the spot
til she ask how many li-li-licks do it take til she get to
shop
Don't worry why my wrist got so freeze
Tell a girl like doritos thats nacho cheese
Tell her friends like fritos I'm trying to lay
I can only have one and I ain't trying to wait
This a song with Wayne so you know its gon melt
but you ain't finna murder me like everybody else
I'ma rap like I got some type respect for myself
I don't do it for my health man, I do it for the belt,
man I do it to the death, till the roof get melt,
Hundred degrees, drop the roof so the coupe don't
melt
Man I flow so cold, chicken soup won't help
We need 4 more hoes we need oh-whoa-whoa-oh
You know what it is when we outta town
We ball in two seats, and you outta bounds
So come here baby girl,
you're now fuckin with the best in the world
Lollipop
The best in the world (Sh-sh-she lick me like a lollipop)
world, world (Sh-sh-she lick me like a lollipop)

CHORUS:

Shawty wanna thug
Bottles in the club
Shawty wanna hump
Ya know i'd like to touch ya lovely lady lumps
(Repeat 2x)

[Verse 2: Lil Wayne]

Shawty say she wanna lick the wrapper
and she gonna lick the rapper
and I just wanna act like a porno-flicking actor
I Anita Baker, now she caught up in the rapture
I got so much chips I swear they call me Hewlett-
Packard
I got so much chips you can have a bag if you're a
snacker
greedy mother fudge cake
now tell me how that fudge taste
I do it for blood's sake, Suwoop think its voodoo
how the roof do di-di-dissipate your girl wants to
participate
she so so sophisticate cuz her brain is off the chain
and then my diamonds are in the choir because they
sang from off my chain
and my nina just joined the gang because all she do is
bang
like Ricky Martin
Wayne and Kanye pick your poison
if that woman wanna cut
then tell her I am Mr. Ointment
tell her make an appointment
with Mr. I-can't-make-an-appointment
take my lollipop and enjoy it
remix

CHORUS:

Shawty wanna thug
Bottles in the club
Shawty wanna hump
and you know i wanna touch ya lovely lady lumps
(Repeat 2x)

[Verse 3: Lil Wayne]

why would she she probably be
the odd cookie in the plastic bag
about to get crushed by a building
I've flushed out the feeling of
me being the shit
cuz I was leaving skid marks on
everywhere I sit
I am everywhere I'm it
like hide n go
and I can go anywhere
eeny meeny miney mo
I'm in yo
neighborhood area
CD thing tapedeck iPod
your girlfriend and she say I got great sex
safe sex is great sex

better wear a latex
cuz you don't want that late text
that "I think I'm late" text hehe
so wrap it up
bu- bu- but he so sweet sh- she wanna lick the rapper

CHORUS:

Shawty wanna thug
Bottles in the club
Shawty wanna hump
You know I'd like to touch ya lovely lady lumps

Re-re-re-remix baby
