[Kanye West]

I'm not lovin you  
Way I wanted to  
What I had to do  
Had to run from you  
I'm in love with you  
But the vibe is wrong  
And that haunted me  
All the way home

So u never know  
Never never know  
Never know enough  
Till it's over love  
Till we lose control  
System overload  
Screamin no no no no noooo

I'm not lovin you  
Way I wanted to  
See I wanna move  
But can't escape from you  
So I keep it low  
Keep a secret code  
So everybody else don't have to know

So keep your love lockdown  
Your love lockdown

Keepin your love lockdown  
Your love lockdown

Now keep your love lockdown  
Your love lockdown

Now keep your love lockdown  
You lose

I'm not lovin you  
Way I wanted to  
I can't keep my cool  
So I keep it true

I got something to lose  
So I gotta move  
I can't keep myself & still keep you too

So I keep in mind  
When I'm on my own  
Somewhere far from home  
In the danger zone  
How many times did I take for it finally got through  
You lose, you lose

I'm not lovin you  
Way I wanted to  
See I had to go  
See I had to move  
No more wastin time  
You can't wait for life  
We're just racin time  
Where's the finish line

So keep your love lockdown  
Your love lockdown

Keepin your love lockdown  
Your love lockdown

Now keep your love lockdown  
Your love lockdown

Now keep your love lockdown  
You lose

I'm not lovin you  
Way I wanted to  
I bet no one knew  
I got no one new  
I know I said I'm through  
But got love for you  
But I'm not lovin you  
Way I wanted to

Gotta keep it goin  
Keep the lovin goin  
Keep it on a road  
Only God knows  
If I'll be with you  
Baby I'm confused  
You choose, you choose

I'm not lovin you  
Way I wanted to

Where I want'a go  
I don't need you  
I've been down this road  
Too many times before  
I'm not lovin you  
Way I wanted to

So keep your love lockdown  
Your love lockdown

Keepin your love lockdown  
Your love lockdown

Now keep your love lockdown  
Your love lockdown

Now keep your love lockdown  
You lose [x5]

So don't treat my name like your fucking food (keep my  
name out your mouth whoever)  
Man you fucking lames you so fucking rude  
Just get out my lane better fucking move  
When I'm coming through you don't fucking move  
I'm a truck a dude  
When I watch him ooze  
Leaking on the streets leaking on the beats  
I be killing these you be feeling me(or)  
You be hating me  
Either way it be you make cake for me(yep)  
Watch how great I be (yep)  
It was made for me (yep)  
No ones stopping me that's my prophecy I gotta be  
One of the best to do it  
Stick out my chest and do it  
If Kayne west could do it  
And they thought he was stupid  
Then that's what they is  
If they don't fuck with this

Music shit I'm doing it I'm proving it  
Who da shit you da shit(for sho)

No doubt in my mind  
Just get out my lane better fucking move  
You don't fucking move(you don't move)  
I'm a truck a dude  
Then I'll watch him ooze  
Leaking on the streets (oooh)leaking on the beats  
I be killing these  
You be feeling me(or)  
You be hating me  
Either way it be  
You make cake for me(yep)  
Watch how great I be (yep)  
It was made for me (yep)  
That's my prophecy  
And I'm going til it's six feet over top of me
