(1st verse)

I Fantasized about this back in Chicago
mercy mercy me that mercy yalago thats me the first
year that i blow
how you say broke in Spanish? me no hablo
me drown sorrow in that diablo
me found bravery in my bravado
Dj needs to listen to the models
you aint got no fucking Yeezy in your serados?! (you
ain't got no Yeezy nigga?)
stupid, But what the fuck do i know?
i'm just a Chi-town nigga with a Nas flow
and my bitch and that new bebe follow
so much head i woke up in sleepy hollow

Can we get much higher

(2nd verse)

Look like a fat booty Celine Dion
sex is on fire im the king of fire
im the king of Leona Louis

vion the truest hey teacher teacher tell me how do you
respond to students
and refresh the page,
and restart the memory,
respark the soul,
and rebuild the energy
we stop the ignorance,
we kill the enemies, sorry for the nights de-mons still
visit me
the plan was to drink it till the pain over but whats
worse, the pain or the hangover?
fresh air rolling down a window
Too many Urkel's on your team thats why you're
Winslow
Don't make me pull the toys out huh? don't make me
pull the toys..
and fire up the engines and then they make noise

can we get much higher
