Why are you so paranoid?  
Don't be so paranoid  
Don't be so-

Baby, don't worry 'bout it  
Hey there, don't even think about it.

You worried 'bout the wrong things, the wrong things  
You worried 'bout the wrong things, the wrong things  
You worried 'bout the wrong things, the wrong things  
You worried 'bout the wrong things, the wrong things.

Tell me right now  
Would you really wanna spend your whole life alone  
A little time out might do you good  
might do us good, before we break up for good.

'Cause I could make it good  
I could make it hood  
I could make it come  
I could make it go.

I could make it high  
I could make it fly  
Make you touch the sky  
Hey baby, soar.

All of the time  
You be up in mine  
Texting to my cell phone, baby, no.

You wanna kill the vibe on another night  
Here's another fight  
Oh, here we go  
Oh, here we go.

Baby, don't worry 'bout it  
Lady, we'll go out to the floor (Anyways)  
You don't know  
I got this  
Never known you (Anyways)  
You don't know

I got this  
Never know you.

All of the time  
You wanna complain about the nights alone

So now here you and me  
Stressing by the two we  
The attitude all the way back at home.

Yeah, you see him look  
Baby, let him look  
Give him cold looks  
'Cause we've become.

Yeah, you heard about  
all the word about  
Don't worry 'bout what we can't control  
All the talk in the world  
Lost in the world  
Will you finally let that thing go  
You wanna check into the Heatbreak Hotel  
but sorry, we're closed.

Baby, don't worry 'bout it  
Baby, we'll go out to the floor (Anyways)  
You don't know  
I got this  
Never known you (Anyways)  
You don't know  
I got this  
Never know you.

Baby, don't worry 'bout it  
Baby, don't even think about it.

You worried 'bout the wrong things, the wrong things  
You worried 'bout the wrong things, the wrong things  
You worried 'bout the wrong things, the wrong things  
You worried 'bout the wrong things.

(Anyways)  
You don't know  
I got this  
Never known you (Anyways)  
You don't know  
I got this  
Never know you.

(Anyways)  
You don't know

I got this  
Never known you (Anyways)  
You don't know  
I got this  
Never know you.
