Didn't you know  
I was waiting on you  
Waiting on a dream  
That'll never come true  
Didn't you know  
I was waiting on you  
My face turned to stone  
When I heard the news

When you decide to break the rules  
Cos I just heard some real bad news

People will talk  
Like it's old news  
I played it off and act like I already knew  
Let me ask you  
How long have you known too  
You played it off and act like he's brand new

When you decide to break the rules  
Cos I just heard some real bad news  
Real bad news  
Real bad news  
Real bad news

Oh you just gonna  
Keep another no you wont

Oh you just gonna  
Keep it like you never knew

Oh you just gonna  
Keep another love for you

Oh you just gonna  
Keep it like you never knew

While I'm waiting on a dream  
That'll never come true

Oh you just gonna  
Keep it like you never knew

My face turned to stone  
When I heard the news

What's on the news
