### VERSE 1

'Bout the baddest girl I ever seen  
Straight up outta movie scene  
Who knew she was a drama queen  
That'd turn my life to Stephen King's  
up late night like she on patrol  
checkin everything like i'm on parole  
I told her it's some things she don't need to know  
She never let it go, oh

### Hook

Okay, okay, okay okay, you'll never stop it now  
Ya never stop it now  
Okay, okay, okay, you'll never stop it now  
You need to drop it now, DROP IT DROP IT

Cause I don't want no ROBOCOP  
You movin' like a ROBOCOP  
When did you become a ROBOCOP  
No, I don't need no ROBOCOP

### VERSE 2

Just looking at your history  
You're like the girl from Misery  
She said she ain't take it to this degree  
Well let's agree to disagree  
Shorty kinda crazy but it turn me on  
Keep it up enough to keep it going on  
I told her it's some things she don't need to know  
She never let it go, oh

### HOOK

Okay, okay, okay, okay  
You'll never stop it now  
Ya never stop it now  
Okay, okay, okay, you will never stop it now  
You need to drop it now, DROP IT DROP IT

Cause I don't want no ROBOCOP

You movin' like a ROBOCOP  
When did you become a ROBOCOP
