The people who want to save the world listen up yeh
yeh now
the lovely things we have from plants and every think i
need to save
it now the plants and creatures are gods animals
Save the world in the homely planet save, save the
world now you know
what I mean we need to save now now what do you say
people of the town
The plants the animals that we are killing with the mess
we make stop stop
now you now we need to reuse reduse and recycle yeh.

who put the hump upon the camel
who put the salt in the sea
who made cats , bats and dads
who made everything
