You keep it going man, you keep those books rolling,  
You pick up those books your going to read  
And not remember and you roll man.  
You get that a sociate degree, okay,  
Then you get your bachelors, then you get your  
masters  
Then you get your master's masters,  
Then you get your doctron,  
You go man, then when everybody says quit  
You show them those degree man, when  
Everybody says hey, your not working,  
Your not making in money,  
You say look at my degrees and you look at my life,  
Yeah i'm 52, so what, hate all you want,  
But i'm smart, i'm so smart, and i'm in school,  
And these guys are out here making  
Money all these ways, and i'm spende mine to be  
smart.  
You know why?  
Because when i die, buddy, you know  
What going to keep me warm, that right, those degrees
