Are you gonna be?
Say that you're gonna be
Oh, oh, oh, oh, oh

Some Luther Vandross, a little Anita
Will definitely set this party off right
(Say you gonna be, are you gonna be?)

See you is my new chick

So we get our grind on
She be grabbing, calling me Biggie like Shyne home
Man, I swear she fine homes
Why she always lying though?

Telling me them diamonds
When she know they rhinestones
She got a light skinned friend look like Michael Jackson
Got a dark skinned friend look like Michael Jackson

I play Ready for the World
She was ready for some action
My dawg said you ain't no freak
So you gotta to prove my man wrong

When it come to rocking the rhythm like Marvin and

Play some R&B while I smoke a B
You can preferably feeling on a G? And all this

Come with me and sip on some Evelyn champagne
You ain't know Twista can work it like the Whispers
Hit the stop light, move into some Isaac
These rims still moving so I bump a little spinners

While I'm smoking on a B, dipping through the streets
Bumping R&B and I got the heat
On the 23's and I do it
(Well, well, well, well, well)

With my earth in the wind smokin' a fire

Let me when get ya sheets wet listening to Keith Sweat
Put you in a daze for maze
Fulfilling our every temptation slow jamming, having
deep sex

You ready for the world girl
Come and go with ill touch you all over your body
Baby, don't say no to me
An every moment you controlling me

I'm loving the way you be holding me when I be
listening to Jodeci
And when I come over and bend your ass
You be bumping Teddy Pendergrass
I'da hit it from the back to the melody and road it slow

Now I gotta go up in it fast but I'ma finish last
No matter how much of a thug you see
I still spit it like it's R&B, come to the club with me

Baby, drop another slow jam
And all us lovers need hold hands
And if you ain't got no man hop up on my Brougham
I keep it pimping like an old man, you gots to roll with
the plan

'Cuz after that then I take it to the dome
Then I got to bone, stay up in the zone
Got to get you home, gotta run up on and I do it
(Well, well, well, well, well)

Baby, drop another slow jam
And all us lovers need hold hands
And if you ain't got no man hop up on my Brougham
I keep it pimping like an old man, you gots to roll with
the plan

'Cuz after that then I take you to my home
And we could get it on, whisper on the phone
Just to get you goin', tryna make you moan and I do it
(Well, well, well, well, well)
