I've been workin' this graveshift  
And I ain't made shit  
I wish I could  
Buy me a spaceship and fly, past the sky

I've been workin' this graveshift  
And I ain't made shit  
I wish I could  
Buy me a spaceship and fly, past the sky

Man, man, man, if my manager insults me again  
I will be assaulting him  
After I fuck the manager up  
Then I'm gonna shorten the register up

Let's go back, back to the gap  
Look at my check, wasn't no scratch  
So if I stole, wasn't my fault  
Yeah I stole, never got caught

They take me to the back and pat me  
Askin' me about some khakis  
But let some black people walk in  
I bet they show off their token blackie

Oh now they love Kanye  
Let's put him all in the front of the store  
Saw him on break next to the 'No Smoking' sign  
With a blunt and a marl

Takin' my hits, writin' my hits  
Writin' my rhymes, playin' my mind  
This fuckin' job can't help him  
So I quit, y'all welcome

Y'all don't know my struggle  
Y'all can't match my hustle  
You can't catch my hustle  
You can't fathom my love dude

Lock yourself in a room  
Doin' five beats a day for three summers

That's a different world like cree summers  
I deserve to do these numbers

The kid that made that  
Deserves that Maybach  
So many records in my basement  
I'm just waitin' on my spaceship

I've been workin' this graveshift  
And I ain't made shit  
I wish I could  
Buy me a spaceship and fly, past the sky

I've been workin' this graveshift  
And I ain't made shit  
I wish I could  
Buy me a spaceship and fly, past the sky

Man, I'm talkin' way past the sky let's go, yeah  
And I didn't even try to work a job  
Represent the mob at the same time  
Thirsty on the grind chi state of mind  
Lost my mamma, lost my mind

Life, my love that's not mine  
Why you ain't signed? Wasn't my time  
Leave me alone, work for y'all  
Half of it's yours, half of it's mine

Only one to ball, never one to fall  
Gotta get mine, gotta take mine  
Got a tech nine, reach my prime  
Gotta make these haters respect mine

In the mall till twelve  
When my schedule wore headset nine  
Puttin' those pants on shelves  
Waitin' paitently I ask myself

Where I wanna go? Where I wanna be  
Life is much more than runnin' in the streets  
Holla at 'ye, hit me with the beat  
Put me on my feet, sound so sweet

Yes I'm the same old G, same goatee stayin' low key,  
nope  
Holler at God, "Man why'd you had to take my folks?"  
Hope to see freddy G, Yusef G, love my G, Rolly G  
Police watch me smoke my weed and count my G's

Got a lot of people countin' on me

And I'm just tryin' to find my peace  
Should of finished school like my niece  
Then I wouldn't finally wouldn't use my piece  
Aw man, this pressure

I've been workin' this graveshift  
And I ain't made shit  
I wish I could  
Buy me a spaceship and fly, past the sky

I've been workin' this graveshift  
And I ain't made shit  
I wish I could  
Buy me a spaceship and fly, past the sky

I remember havin' to take the dollar cab  
Comin' home real late at night  
Standin' on my feet all damn day  
Tryin' to make this thing right

And havin' one of my co-workers  
Say, "Yo you look just like  
This kid I seen in the old Busta Rhymes  
Video the other night"

Well easy come, easy  
Go how that sayin' goes  
No more broad service  
Cars, and them TV shows

And I all had that snatched from me  
And all the faculties  
All turn their back on me  
And didn't wanna hear a rap from me

So naturally, actually  
Had to face things factually  
Had to be a catastrophe  
With the fridgest starin' back at me

'Coz nothing's there, nothing's fair  
I don't wanna ever go back there  
So I won't be takin' no days off  
Until my spaceship takes off

I've been workin' this graveshift  
And I ain't made shit  
I wish I could  
Buy me a spaceship and fly, past the sky

I've been workin' this graveshift

And I ain't made shit  
I wish I could  
Buy me a spaceship and fly, past the sky

I wanna fly, I wanna fly  
I said, "I want my chariot  
To pick me up and take a brother for a ride"
