let me know, do i still got time to grow  
things aint always set in stone  
with that being, let me know  
let me

seems like streetlights glowing  
happened to be just like moments  
passing, in front of me so  
i hopped in, the cab and  
i paid my fair, see  
i know my, destination  
but im just not there  
all the streetlights glowing  
happened to be just like moments  
passing, in front of me so  
i hopped in, the cab and  
i paid my fair, see  
i know my, destination  
but im just not there in the streets  
in the streets  
im just not there in the streets  
im just no there  
life's just not fair

seems like streetlights glowing  
happened to be just like moments  
passing, in front of me so  
i hopped in, the cab and  
i paid my fair, see  
i know my, destination  
but im just not there  
all the streetlights glowing  
happened to be just like moments  
passing, in front of me so  
i hopped in, the cab and  
i paid my fair, see  
i know my, destination  
but im just not there in the streets  
in the streets  
im just not there in the streets  
im just no there  
life's just not fair
