Yo G they can't stop me from rapping can they?
Can they, huh?

[Chorus:]

Through the fire, to the limit, to the wall
For a chance to be with you, I'd gladly risk it all
Through the fire, through whatever come what may
For a chance at loving you, I'd take it all away
Right down through the wire, even through the fire

I spit it through the wire man
To much stuff on my heart right now man
I'll gladly risk it all right now
It's a life or death situation man
Y'all don't really understand how I feel right now man
It's your boy Kanye to the....
Chi-Town what's going on man

[Verse 1:]

I drink a boost for breakfast, and ensure for dizzert
Somebody ordered pancakes I just sip the sizzurp
That right there could drive a sane man bizzerk
Not to worry y'll Mr. H 2 the Izzo's back to wizzerk
How do you console my mom or give her light support
When you telling her your sons' on life support
And just imagine how my girl feel
On the plane scared as hell that her guy look like Emitt
Till
She was with me before the deal she been trying to be
mine
She a delta so she been throwing them Dynasty signs
No use me tryin' to be lyin'
I been trying to signed
Trying to be a millionaire
How I use two lifelines
In the same hospital where Biggie Smalls died
The doctor said I had blood clots
But I ain't Jamaican man
Story on MTV and I ain't trying to make the band
I swear this right here is history in the making man

[Chorus]

I really apologize how I sound right now man
If it's unclear at all, man
They got my mouth wired shut for like I don't know the
doctor said for like six weeks
You know we had reconstru....
I had reconstructive surgery on my jaw

Looked in the mirror half my jaw was in the back of my
mouth man
I couldn't believe it
But im still here for yall right now yo
This is what I gotta say yo
Yeah, turn me up yeah

[Verse 2:]

What if somebody from the Chi was ill got a deal on the
hottest rap label around
But he wasn't talking bout coke and birds it was more
like spoken word
Except he really putting it down
And he explained the story about how blacks came
from glory
And what we need to do in the game
Good dude, Bad night, Right place, Wrong time
In the blink of an eye his whole life changed
If you could feel how my face felt you would know how
Mase felt
Thank God I ain't too cool for the safe belt
I swear to God drive two on the sue
I got lawyer for the case to keep whats in my safe; safe
My dawgs couldn't tell if I
I look Tom Cruise on Vanilla Sky, it was televised
All they heard was that I was in an accident like GEICO
They thought I was burnt up like Pepsi did Michael
I must gotta angel
Cause look how death missed his ass
Unbreakable, would you thought they called me Mr.
Glass
Look back on my life like the ghost of Christmas past
Toys R Us where I used to spend that Christmas cash
And I still wont grow up, I'm a grown ass kid
Swear I should be locked up for stupid shit that I did
But I'm a champion, so I turned tragedy to triumph
Make music that's fire, spit my soul through the wire

[Chorus]

Know what im saying
When the doctor told me I had a um.. I was goin to have
a plate on my chin

I said dawg don't you realize I'll never make it on the
plane now
Its bad enough I got all this jewelry on
Can't be serious man

[Chorus repeats till fade]
