(Chorus)

You motherfuckers better do your job and roll up
And watch how we roll up and
I can't control it, can't hold it, it's so nuts
I take a sip of that n'gak (Congac), I wanna fuck
I take a hit of that chronic, it got me stuck
But really what's amazing is how I keep it blazing
Towel under the door, I'm smokin to the Days Inn
Puff, puff then pass, don't fuck up rotation
Hypnotic for Henny, now nigga that's a chaser
Turn nothin to something now pimpin' that's the Savior
Best things are green now pimpin' get your paper
High off the ground, our status skyscraper
Cool off thinkin' we local, come on homie, we major

We major? (come on, homie, we major) [repeat]

Feeling better than some head on a Sunday afternoon
Better than a chick that say yes to soon
Until you have a daughter, that's what I call karma
And you pray to God she don't grow breasts too soon.
Projects to' up, gang signs is thrown up
Niggas hats broke off that's how we grow up
Why else you think shorty's write rhymes just to blow
up?
Get they first car and then IRS show up
He ain't never had shit but he had that nine
Nigga come through flickin' and he had that shine
Put two and two together in a little bad weather
Gon' be a whole family on that funeral line
Ask the reverend was the strip club cool
If my tips help send a pretty girl through school
That's all I want like wino's want they good whisky
I ain't in the Klan, but I brought my hood with me

(chorus)

Nas:

I heard the beat and I ain't know what to write
First line, should it be about the hoes or the ice?
4-4's or Black Christ? Both flows would be nice
Rap about big paper or the black man plight

At the studio consol asked my man to the right
What this verse sound like, should I freestyle or write?
He said, Nas, what the fans want is Illmatic, Stillmatic
Picked up the pad and pencil and jotted what I feel
Been like 12 years since a nigga first signed
Now I'm a free agent and I'm thinking it's time
To build my very own Motown
Cuz rappers be deprived of executive 9 to 5s
And it hurts to see these companies be stealing the life
And I love to give my blood sweat and tears to the mic
So y'all copped the LPs and y'all fiends got dealt
I'm Jesse Jackson on the balcony where King got killed
I survived the livest niggas around
Lasting longer than more than half of you clowns
Look, I used to cook before I had the game took
Either way my change came like Sam Cooke.
Feeling better than I ever felt before today
Like better late than never it's orientation
Still we can make it better throwing all your cares away

(chorus)

Can i talk my shit again? Can i talk my shit again?
I can't believe I'm back up in this mu'fukka
I'ma be late tho'
I figga out what I'm finna wear
Yeah
The ROC is definitely in the building
GooD music def in the building
I gotta say what's up to Tony Williams
On the vocals, he sings quite beautiful don't you agree,
don't you agree?
And John Brion on the keys right now and Warren
Cambele on the keys right now
So they asked me, why you call it late registration man?
Cause we taking these motherfuckers back to school.
If you know this part, feel free to sing along.

Feeling better than I ever felt before today
Like better late than never it's orientation (orientation)
Still we can make it better throwing all your cares away

We want you to get used to this

You can't do what we do baby X3
