Sneakin' in her room when her momma's knocked out  
Tryin' to have his way and little Lisa says ouch  
She tries to resist but then all he does is beat her  
Tries to tell her mom but her momma don't believe her  
Lisa's stuck up in a world on her own  
Forced to think that Hell is a place called home  
Nothin' else to do but get some clothes and pack  
She says she's 'bout to run away and never come back  
And my head keeps spinning,  
Can't stop having these visions,  
I gotta keep winnin'.

Dad cracked a joke, all the kids laughed,  
But I couldn't hear him all the way in first-class.  
Chased the good-life, my whole life long,  
Look back on my life, and my life gone,  
Where did I go wrong?  
And my head keeps spinning,  
Can't stop having these visions,  
I gotta keep winnin'.

I've seen it, I've seen it before.  
I've seen it, I've seen it before.  
I've seen it, I've seen it before.  
I've seen it, I've seen it before.  
My god sister's gettin' married by the lake,  
But I couldn't figure out who I'd wanna take.  
Bad enough that I showed up late,  
I had to leave before they even cut the cake.  
Welcome to heartbreak.  
And my head keeps spinning,  
Can't stop having these visions,  
I gotta keep winnin'.

So is life, take a chance roll a dice  
Money can't buy you  
love cause it's over priced
