I go to Jacob wit 25 thou, you go wit 25 hundred, wow
I got eleven plaques on my wall right now
You got your first gold single, damn, nigga, wow

H to the Izzo, did 3 thou spins in a week
You get a thou in a month, wow
Y'all niggas want credit but y'all need to slow down
Kanye to the killin', y'all from Chi-town, how your wife
gon' say

She never sold drugs a day in her life but she still
wanna pump the ye
And y'all mad 'cuz y'all not knowin' 'cuz these canaries
so yellow
When y'all pull up whether to stop or keep goin'
I got G's, rock Rock n Roll tees wit no sleeves

That's showin', tucked in strap showin'
How he get seven TV's in that 'lac 'lac
3 in the front, 2 in the back, 2 in that back, back
While you in that hatchback

And tryin' to sell work and don't get shit from them
packs back
And try to rap, the studios won't give you ya daps back
And try to get publishin', all you get in your ass capped
And that's that

I go to Jacob wit 25 thou, you go wit 25 hundred, wow
I got eleven plaques on my wall right now
You got your first gold single, damn, nigga, wow

Magazines call me a rock star, bitches call me cock star
Billboard pop star, neighborhood block star
Chi-town go getting pimps, we mob stars
Gingerbread man even says, ?You're a monster?

Remember that, 'Uh-Huh' that's that trek shit
Remember back in '92 niggas used to catch reck shit
Remember that track I tracked for you 'bout 3 months
ago
'Uh-huh' that's the one, now, cut my check, bitch

And I ain't feelin' that Lexus or that CLK
See me like damn A C L K
Yeah that's how we eatin' and keep us looking peace
and then
I ain't know we rap as good as he do beats and then

I go to Jacob wit 25 thou, you go wit 25 hundred, wow
I got eleven plaques on my wall right now
You got your first gold single, damn, nigga, wow

H to the Izzo did 3 thou spins in a week
You get a thou in a month, wow
Y'all niggas want credit but y'all need to slow down
Kanye to the killin', y'all from Chi-town
