Some years  
Ago,  
This summer,  
Our lives crossed  
Paths,  
And ever since,  
Then and there,  
You've been my past  
And brother.  
I'm holding on,  
To days when  
We couldn't  
Sit still.  
We laughed our  
Asses off  
Together,  
Half my life.  
I know you better than anyone.  
Let's sneak out,  
Nightswim off the dock,  
Get back at sun up,  
And then talk.  
I bet you five bucks  
I can hit that house  
With this rock.  
"Don't John!"  
"Don't wake up the neighbors..."
