Wake, Mr. West  
Uh yeah, uh yeah, uh yeah, uh yeah

And I heard 'em say, nothin's ever promised tomorrow  
today  
From the Chi, like Tim, it's a hard a way  
So this is in the name of love, like Robert say  
Before you ask me, to go get a job today

Can I at least get a raise on a minimum wage?  
And I know the government administered aids  
So I guess we just pray like the minister say  
Allah O Akbar, and throw 'em some hot cars

Things we see on the screen is not ours  
But these niggas from the hood so these dream's not  
far  
Where I'm from, the dope boys is the rock stars  
But they can't cop cars without seein' cop cars  
I guess they want us all behind bars, I know it

Uh, and I heard 'em say, nothin's ever promised  
tomorrow today  
And I heard 'em say, nothin's ever promised tomorrow  
today  
(Nothin's ever promised tomorrow today)  
But we'll find a way  
(And nothing lasts forever but be honest babe  
It hurts but it may be the only way)

They say people in your life are seasons  
And anything that happen is for a reason  
And niggas guns a clappin' and keep to squeezin'  
And gran' keep prayin' and keep believin'

And Jesus and one day that ya see Him  
Till they walk in his footsteps and try to be Him  
The Devil is alive, I feel him breathin'  
Claimin' money is the key so keep on dreamin'

And put them lottery tickets just to tease us  
My aunt, Pam can't put those cigarettes down

So now my li'l cousin smokin' those cigarettes now  
His job trying to claim that he too niggerish now  
Is it 'cause his skin blacker than licorice now?  
I can't figure it out, I'm stickin' around

Uh, uh, and I heard 'em say, nothin's ever promised  
tomorrow today  
And I heard 'em say, nothin's ever promised tomorrow  
today  
(Nothing's ever promised tomorrow today)  
But we'll find a way  
(And nothing lasts forever but be honest babe  
It hurts but it may be the only way)

'Cause every worthless word we get more far away  
And nothin's ever promised tomorrow today  
And nothin' lasts forever but be honest babe  
It hurts but it may be the only way
