{Diamonds are forever
They are all I need to please me
They can't stimulate or tease me
They won't leave in the night
I've no fear that they might
Desert me
Diamonds are forever}

Throw ya diamonds in the sky
If you feel the vibe
The ROC is still alive
Everytime I rhyme
For ever ever? For ever ever? Ever ever?
Ever ever? Ever ever? Ever ever? Ever ever?

Good morning, this ain't Vietnam still
People lose hands, legs, arms for real
Little was known of Sierra Leone
And how it connect to the diamonds we own

When I speak of diamonds in this song
I ain't talkin' bout the ones that be glowin'
I'm talkin' bout Rocafella, my home, my chain
These ain't conflict diamonds, is they Jacob?
Don't lie to me man

See, a part of me sayin' keep shinin'
How? When I know of the blood diamonds
Though it's thousands of miles away
Sierra Leone connect to what we go through today

Over here, it's the drug trade, we die from drugs
Over there, they die from what we buy from drugs
The diamonds, the chains, the bracelets, the charms
I thought my Jesus piece was so harmless
'Til I seen a picture of a shorty armless
And here's the conflict

It's in a black person's soul to rock that gold
Spend ya whole life tryna get that ice
On a polar rugby it look so nice
How could somethin' so wrong make me feel so right?

Right?

'Fore I beat myself up like Ike

You could still throw ya Rocafella diamond tonight,
because

{Diamonds are forever}

Throw ya diamonds in the sky

If you feel the vibe

The ROC is still alive

Everytime I rhyme

For ever ever? For ever ever? Ever ever?

Ever ever? Ever ever? Ever ever? Ever ever?

People askin' me is I'm gon' give my chain back?

That'll be the same day I give the game back

You know the next question dog, ÆœYo, where
Dame at?Æœ

This track the Indian dance to bring our reign back

Wassup wit you and Jay man, are ya'll okay man?

Yep! I got it from here Kay, damn!

The chain remains, the gang is intact

The name is mine, I'll take blame for that

The pressure's on, but guess who ain't gon' crack?

Pardon me I had to laugh at that

How could you falter when you're the Rock of Gibraltar?

I had to get off the boat so I could walk on water

This ain't no tall order, this is nothin' to me

Difficult takes a day, impossible takes a week

I do this in my sleep

I sold Kilos of coke

I'm guessin' I can sell CD's

I'm not a business man, I'm a business, man

Let me handle my business, damn!

Kanyeez you got me, Freeway to Foxy

YG', Teairra Mari, Petey watch me

Bleek could be one hit away his whole career

As long as I'm alive, he's a millionaire

And even if I die, he's in my will somewhere

So he can just kick back and chill somewhere, oh yeah

He don't even have to write rhymes

The dynasty like my money last three lifetimes

Shirley Bassey was in the rear sayin' exactly

What I was sayin' practically my whole career

The diamond is forever, I been mindin' this forever

Now the Louis Vuitton, Don's timin' couldn't be better

People lined up to see the Titanic sinkin'
Instead we rose from the ash like a phoenix
If you waitin' for the end, the dynasty signed
And what seemed like forever is a mighty long time

I'm young bitches
Goodnight!
