Diamonds are forever, they are all I need to please me  
They can't stimulate or tease me, they won't leave in  
the night  
Have no fear that they might desert me

(Diamonds are forever, forever, forever)  
Throw your diamonds in the sky if you feel the vibe  
(Diamonds are forever, forever, forever)  
The Roc is still alive every time I rhyme  
(Forever)  
Forever ever? Forever ever? Ever ever? Ever ever?  
Ever ever? Ever ever? Ever ever?

Good morning, this ain't Vietnam still  
People lose hands, legs, arms fo' real  
Little was known on Sierra Leone  
And how it connect to the diamonds we own

When I spit the diamonds in this song  
I ain't talkin' 'bout the ones that be glowin'  
I'm talkin' 'bout Roc-a-Fella, my home  
My chain, this ain't conflict diamonds

Is they Jacob? Don't lie to me, man  
See, a part of me sayin', "Keep shinin'"  
How? When I know what a blood diamond 's  
Though it's thousands of miles away

Sierra Leone connect to what we go through today  
Over here it's a drug trade, we die from drugs  
Over there they die from what we buy from drugs  
The diamonds, the chains, the bracelets, the charms

I thought my Jesus piece was so harmless  
'Til I seen a picture of a shorty armless  
And here's the conflict  
It's in a black persons' soul to rock that gold

Spend your whole life tryin' to get that ice  
On a Polo rugby it look so nice  
How can something so wrong make me feel so right?  
Right? 'Fore I beat myself up like Ike

You can still throw your Roc-a-Fella diamond tonight  
because

(Diamonds are forever, forever, forever)  
Throw your diamonds in the sky if you feel the vibe  
(Diamonds are forever, forever, forever)  
The Roc is still alive every time I rhyme  
(Forever)  
Forever ever? Forever ever? Ever ever? Ever ever?  
Ever ever? Ever ever? Ever ever?

People askin' me, is am I gon' give my chain back  
That'll be the same day I give the game back  
You know the next question dog, "Yo where Dame at?"  
This track the Indian dance that bring our reign back  
What's up with you and Jay, man? Are y'all okay man?

Yup, I got it from here 'Ye, damn  
The chain remains, the game is intact  
The name is mine, I'll take blame for that  
The pressure's on but guess who ain't gon' crack

Pardon me, I had to laugh at that  
How could you falter when you're the Rock of Gibraltar?  
I had to get off the boat so I could walk on water  
This ain't no tall order, this is nothin' to me

Difficult takes a day, impossible takes a week  
I do this in my sleep, I sold kilos of coke  
I'm guessin' I can sell CD's, I'm not a businessman  
I'm a business, man, let me handle my business, damn

Kanyeez you got me, Freeway then Foxy  
YG's, Tiar', 'merie, Peedi watch me  
Bleek could be one hit away his whole career  
As long as I'm alive he's a millionaire

And even if I die, he's in my will somewhere  
So he could just kick back and chill somewhere  
Oh yeah, he don't even have ta write rhymes  
The Dynasty like my money, last three lifetimes

Shirley Bassey's in the red sayin' exactly  
What I been sayin' practically my whole career  
A diamond is forever, I been minin' this forever  
Now the Louis Vuitton Don's timin' couldn't be better

People lined up to see the Titanic sinkin'  
Instead we rose up from the ash like a phoenix  
If you waitin' for the end, the Dynasty sign  
And what seem like forever is a mighty long time

(Forever)  
Uh, Young, bitches, goodnight
