Night and stars above that shine so bright  
The mystery of their fading light  
That shines upon our caravan

Sleep upon my shoulder as we creep  
Across the sands so I may keep  
The memory of our caravan

This is so exciting, you are so inviting  
Resting in my arms  
As I thrill to the magic charms of you

Beside me here beneath the blue  
My dream of love is coming true  
Within our desert caravan

Night and stars above that shine so bright  
The mystery of their fading light  
That shines upon our caravan

Sleep upon my shoulder as we creep  
Across the sands so I may keep  
The memory of our caravan

This is so exciting, you are so inviting  
Resting in my arms  
As I thrill to the magic charms of you

Beneath me here, beneath the blue  
My dream of love is coming true  
Within our desert caravan  
Within our desert caravan  
Within our desert caravan

Here we go, within our desert caravan
