I can't stand the rain against my window  
Bringing back sweet memories  
I can't stand the rain against my window  
Now that you're not here with me

When we were together, everything was so grand  
Now that we've parted  
There's one sound that I just can't stand, the rain

I can't stand the rain against my window  
Bringing back sweet memories  
Hey, window pane do you remember how sweet it used  
to be?

Alone with the pillow, where his head used to lay  
I know you've got some sweet memories  
But like a window you ain't got nothing to say

I can't stand the rain against my window  
Bringing back sweet memories  
I can't stand the rain against my window  
Now that he's not here with me

Alone with the pillow where his head used to lay  
I know you've got sweet memories  
But like a window you ain't got nothing to say

Rain, rain, rain, rain, rain against my window
