You can take all the tea in China  
Put it in a big brown bag for me  
Sail right around all the seven oceans  
Drop it straight into the deep blue sea

He's as sweet as tupelo honey  
He's an angel of the first degree  
He's as sweet as tupelo honey  
Just like the honey from the bee

You can't stop us on the road to freedom  
You can't stop us 'cause our eyes can see  
Men with insight, men in granite  
Knights in armor bent on chivalry

He's as sweet as tupelo honey  
He's an angel of the first degree  
He's as sweet as tupelo honey  
Just like honey from the bee

You can't stop us on the road to freedom  
You can't stop us 'cause our eyes can see  
Men with insight, men in granite  
Knights in armor intent on chivalry

He's as sweet as tupelo  
He's an angel of the first degree  
He's as sweet as tupelo honey  
Just like honey from the bee

He's an angel who came down from heaven, yes  
[Incomprehensible]  
He's an angel of the first degree  
He's as sweet as tupelo honey  
Just like honey from the bee

Just like honey from the bee  
Just like honey from the bee
