Centuries ago a struggle began  
Through time battles were fought  
The beast was forced to hide  
But it kept coming, evil darkness  
Once again is rising from the shadows

We had times of light  
Times of love and peace of mind  
Those days have ended

His shadowy eyes had found  
A new unaware soul  
My sweet little girl is the chosen one

The sky is turning black  
The light is fading away  
Her guardian angel is crying  
For her arms are bind until the storm

Destroys this innocent soul

From the depths of hell  
Merciless, he will take her soul  
Strongest pain ever felt  
Screaming inside, no way to resist

Help me Father, I am lost in this dark place  
So alone crying tears of ice

Feeling hopeless and cold  
Waiting for your healing hand  
To softly caress my shattered soul

GLORY TO GOD  
Savior of everyone  
GLORY TO GOD  
His kindness is greater than the skies  
GLORY TO GOD
