She's my lady, she's my baby, she's my woman Lord
above

And I'll love her till the end of time
And I'll love her till the end of time
Said I'll love her till the end of time

Her lips are kissed by the sweet morning mist
Her eyes as bright as the full moon at night
She's my lady my tropical baby and she's mine
Until the end of time, my Tropical Lady, my island baby
Said I love her till the end of time
Said I love her till the end of time, Lord above
Said I love her till the end of time

But I, don't know what to say to her
And I don't know what to do
But one thing I know girl,
She's my Tropical Lady, my island baby
She's my woman, Lord above
And I'll love her till the end of time
And I'll love her till the end of time
Said I'll love her till the end of time

Instrumental

Everyday I'm away from you

I get these Tropical Lady blues
How can I live when I'm feeling so blue
When all I want is to be by you
My Tropical Lady, my island baby
And she's my woman, Lord above
And I'll love her till the end of time
And I'll love her till the end of time
And I'll love her till the end of time

But I, don't know what to say to her
And I don't know what to do
But there's one thing I know girl, I love you
My Tropical Lady, I love you, my island baby
Said I'll love her till the end of time
Said I'll love her till the end of time

Said I'll love her till the end of time

Said I'll love her till the end of time (end of time)

Said I'll love her, I love her, till the end of time (end of time)

Said I'll love her, till the end, of time (end of time)

Until the end of time (end of time)

I love you
